SmartScope Kits			
Pack P/N	Type	Description	Unit Price
S215-ESDLX	Elementary Deluxe Digital Microscope Kit	Kit includes the USB Digital Microscope (P/N S215). Bundle also includes the SmartScope Cradle for magnifying objects 15x, 23x, and 40x, for viewing slides, 10 piece collection and display set for viewing insects, aquatic samples and more, Gooseneck Stand, Microscope Slide set with cover slips, Prepared Slides focusing on animals, insects, and plants, Specimen Set 1 and 2 (encased in acrylic blocks), Owl Pellet Kit with Guide and Worksheets with additional owl pellets, Basic Rock Kit (each set includes igneous, metamorphic, and sedimentary rock samples) and additional rock samples, How Soils are Formed Kit, Rocks and Rock Forming Minerals Collection, Storage Bin, Elementary Investigation Book.	\$750.00
S215-ESSTD	Elementary Standard Digital Microscope Kit	Kit includes the USB Digital Microscope (P/N S215). Bundle also includes the SmartScope Cradle for magnifying objects 15x, 23x, and 40x, for viewing slides, 10 piece collection and display set for viewing insects, aquatic samples and more, Owl Pellet Kit with Guide and Worksheets with additional owl pellets, Microscope Slide set with cover slips, Prepared Slides focusing on animals, insects, and plants, Storage Bin, Elementary Investigation Book.	\$525.00
S215-ESBAS	Elementary Basic Digital Microscope Kit	Kit includes the USB Digital Microscope (P/N S215). Bundle also includes the SmartScope Cradle for magnifying objects 15x, 23x, and 40x, Prepared Slides focusing on animals, insects, and plants, Storage Bin, Elementary Investigation Book.	\$395.00
S215-MSDLX	Middle School Deluxe Digital Microscope Kit	Kit includes the SmartScope 200x USB Digital Microscope (P/N S215) AND SmartScope 500x USB Digital Microscope (S217). Bundle also includes the SmartScope Cradle for magnifying objects 15x, 23x, and 40x, for viewing slides, 10 piece collection and display set for viewing insects, aquatic samples and more, Gooseneck Stand, Owl Pellet Kit with Guide and Worksheets with additional owl pellets, Glass Microscope Slides (plain), Glass Microscope Slides (Single Cavity), Prepared Glass Microscope Slides focusing on animals, insects, plants, amphibians & frogs, Basic Rock Kit (each set includes igneous, metamorphic, and sedimentary rock samples) and additional rock samples, Bacteria growing kit, Storage Bin, and Middle School Investigation Book.	\$995.00
S215-MSSTD	Middle School Standard Digital Microscope Kit	Kit includes the USB Digital Microscope (P/N S215). Bundle also includes the SmartScope Cradle for magnifying objects 15x, 23x, and 40x, for viewing slides, 10 piece collection and display set for viewing insects, aquatic samples and more, Gooseneck Stand, Glass Microscope Slides (plain), Glass Microscope Slides (Single Cavity), Prepared Glass Microscope Slides focusing on animals, insects, plants, amphibians & frogs, Basic Rock Kit (each set includes igneous, metamorphic, and sedimentary rock samples) and additional rock samples, Storage Bin, and Middle School Investigation Book.	\$625.00
S215-MSBSC	Middle School Basic Digital Microscope Kit	Kit includes the USB Digital Microscope (P/N S215). Bundle also includes the SmartScope Cradle for magnifying objects 15x, 23x, and 40x, for viewing slides, Glass Microscope Slides (plain), Glass Microscope Slides (Single Cavity), 1 set of rock samples (each set includes igneous, metamorphic, and sedimentary rock samples), Storage Bin, and Middle School Investigation Book.	\$425.00

S215-HSBIO	High School Biology Digital Microscope Kit	Kit includes the SmartScope 200x USB Digital Microscope (P/N S215) AND SmartScope 500x USB Digital Microscope (S217). Bundle also includes the SmartScope Cradle for magnifying objects 15x,23x, and 40x, for viewing slides, Collection and display set for viewing insects, aquatic samples and more, Gooseneck Stand, Glass Microscope Slides (plain), Glass Microscope Slides (Single Cavity), Prepared Glass Microscope Slides focusing on animals, insects, plants, amphibians & frogs, Storage Bin, Bacteria growing kit and Biology Investigation Book.	\$995.00
S215-HSEE	High School Earth/Environmental Science Digital Microscope Kit	Kit includes the SmartScope 200x USB Digital Microscope (P/N S215) AND SmartScope 500x USB Digital Microscope (S217). Bundle also includes the SmartScope Cradle for magnifying objects 15x,23x, and 40x, for viewing slides, Collection and display set for viewing insects, aquatic samples and more, Gooseneck Stand, Glass Microscope Slides (plain), Glass Microscope Slides (Single Cavity), Basic Rock Kit (each set includes igneous, metamorphic, and sedimentary rock samples) and additional rock samples, How Soils are Formed Kit, Rocks and Rock Forming Mineral Collection, Bacteria growing kit, and Storage Bin.	\$895.00
SmartScope Accessories			
Pack P/N	Type	Description	Unit Price
S319	Gooseneck Stand	Gooseneck Stand for SmartScope (Compatible with all SmartScopes)	\$79
S325	Boom Stand with Extended Gooseneck	Boom Stand for SmartScope with extended gooseneck stand. This boom stand also comes with a fitting to change to an extended gooseneck stand.	\$99
S323	SmartScope Cradle	Cradle for SmartScope - 2 tips included for fixed magnification of 15x, 23x, and 40x	\$49
S411	Microscope Slides (Plastic)	Microscope Slides, Plastic, 3"X1", (144 each) with 100 coverslips	\$25
S413	Prepared Microscope Slides (Plastic)	Prepared Microscope Slides, Plastic, 36 Specimens including Animal, Insect, and Plants	\$39
S418	Specimen Set 1	4 Specimens encased in acrylic blocks: Cricket, Locust, Yellow Leaf Beetle, and Crab	\$29
S419	Specimen Set 2	4 Specimens encased in acrylic blocks: Scorpion, Giant Ant, Wasp, and Flower Bug	\$29
S426	Basic Rock Kit	The Basic Rock Collection is a great introduction to Igneous, Sedimentary and Metamorphic rocks.	\$20
S427	How Soils are Formed Collection	Included in this collection are rocks and minerals that break down to become the major components for soils. Samples of actual soils demonstrating texture and composition as end products are included. 15 specimens, number-coded in a compartmented container. Soils packaged in plastic bags.	\$35
S428	Rocks & Rock Forming Mineral Collection	24 specimens including six each of the following: rock-forming minerals, igneous, sedimentary and metamorphic rocks. Also includes a study guide.	\$35
S431	Prepared Microscope Slides	Prepared Microscope Slides, Glass, Set of 48 slides including Animal, Plant, Insects, and Amphibians & Frogs	\$65
S432	Plain Glass Microscope Slides	Glass Microscope Slides, Plain (144 each) with 100 glass slip covers (24mm X 24mm)	\$20
S434	Single Cavity Microscope Slide	Glass Microscope Slides, Single Cavity (144 each)	\$39
S451	Bacteria Kit	Bacteria Kit -- Growing bacteria is the main experiment for many biology projects, which is why you need proper material and supplies. This kit includes all the proper essentials to grow bacteria and perform several different science projects and experiments.	\$39
