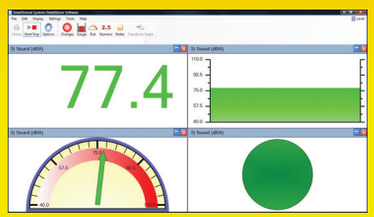
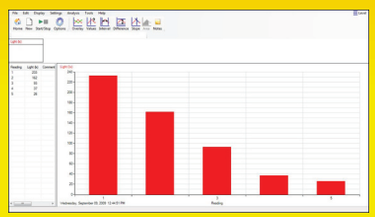
SMARTSENSE

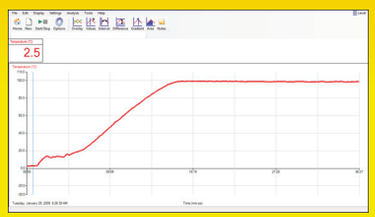
software is user-friendly and versatile



Meters
How loud is my classroom?



Bar Graph
Compare light levels



EasyLog
Record data over time.

The ONE LINK comes with:

- ***SMART**SENSE Software Site License*
- *Mini USB Cable*
- *Sensor Cable*
- *Software Quick-Start Guide*

More Investigations...

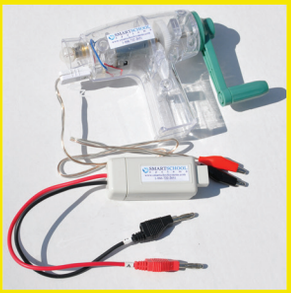
Test the pH of different solutions.

Additional Sensors:

Conductivity

Heart Rate Sensor

Sound Level



Voltage Sensor and Generator

Over 40 external sensors are available for the ONE LINK. Including:

- Carbon Dioxide
- Colorimeter
- Conductivity
- Current
- Drop Counter
- ECG
- Force
- Geiger Muller
- Heart Rate
- Heat Flow
- Humidity
- Infra Red
- Light Sensor
- Magnetic Field
- Motion
- Oxygen
- pH
- Photogates
- Push Button Switch
- Pressure Sensors
- RF Electrosmog Sensor
- Sound Level
- Spirometer
- Rotary Motion
- Thermocouple (Type K)
- Temperature
- UV
- Timing Mats
- Voltage
